SERIOUS BLUNDER OF SMITH.

MAYBE it is an old fashioned idea this notion of putting all the value possible into the car itself—and as little as possible into overhead expense—

But it has given the Paige a positively dominant position among cars of medium price—

Ample capital for operating purposes—no bonded indebtedness—no excessive capitalization—no heavy overhead of any kind to be paid for.

Just a full dollar of car value for every dollar of the selling price.

Is it any wonder that the Paige is going to be oversold again this year in spite of increased production?

BURDENS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Backache is a heavy burden; Nervousness, dizziness, headache, Rheumatic pain; urinary ills; All wear one out. Often effects of kidney weakness. No use to cure the symptoms. Relief is but temporary if the cause remains. If it's the kidneys, cure the cause. Doan's Kidney Pills are for kidney ills. Read about your neighbor's case. Here's Maysville testimony. The kind that can be investigated. Mrs. John E. Burns, Maysville, Ky., says: "The statement I gave before when I publicly recommended Doan's Kidney Pills, still holds good. I know that this remedy is just as represented as it has been used by one of my relatives with satisfactory results. Doan's Kidney Pills were procured at Wood & Son's Drug Store." Mrs. Burns is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—If your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Burns recommends—the remedy backed by home testimony. 50c all stores. Illness and His Inability to Bear Campaign Hardships Given as Reasons.

Washington, May 14.—Senator William O'Connell Bradley, of Kentucky, Republican, tonight announced that illness and inability to bear the hardships of a campaign compel him to announce that he will not be a candidate for re-election. "I am totally unable to bear the hardship of a campaign," said the Senator's statement. He is serving his first term, which ends next March.

Investors, Notice!

Why shouldn't Maysville have a furniture factory?

Persons who have investigated the proposition tell me there is a steady demand for kitchen safes.

I am offering for sale a plant that is equipped to manufacture same with practically no change in machinery.

Can't Maysvillians buy this plant and convert it into a factory of this sort and help to build up the town.

HUNTINGTON WON

First Game of the Series From the Home Team by the Score of 4 to 2.

In their initial appearance of the season here yesterday afternoon the Huntington Blue Sox defeated the local club by the score of 4 to 2.

Connors pitched his first game for Maysville and would have won with the proper support. He allowed only eight hits and three bases on balls, and he struck out six men.

Higley was on the mound for Huntington and was touched up for seven hits, but he kept them well scattered and besides received sterling support.

RIGHT OFF THE BAT.

Kelley of the visitors had a good day at bat—four singles out of four times up.

Huntington is the attraction again this afternoon. Game called at 3:15 o'clock.

Now, tell the truth, who do you think is the worst umpire, Brown or Price? Hard to say, isn't it?

Chapman is now putting up a nice game of ball both at bat and in the field. He is hitting consistently and covering a great deal of ground in the left garden.

The ax is due to fall in the next few days, and the team will be cut down to fourteen men, including Manager Chapman. This means that about four pitchers will get the hook.

With a number of the dark horses playing havoc in the Ohio State League,

the race is strengthening up considerably and the difference in the percentages is not nearly so marked.

Eddie Sanford, a Grant County product, will be on the mound for the Maysville Cubs this afternoon. Eddie is some twirler and no doubt will toss the team to a victory.

Manager Chapman of the locals got into an argument in the latter part of the eighth inning with Pitcher Higley of the Blue Sox, and, of a consequence, was put out of the game. Donovan was switched over to his place in left and Crowe took Donovan's place in center.

Dieterich has just commenced to hit his stride. He has been hitting the ball hard and solid nearly every time he has been up recently, but he has been unfortunate in placing them. He hit his stride, however, yesterday—two two-baggers and a single out of four times at bat.

Next Saturday at Huntington when Newport plays the Blue Sox, Billy Sunday has agreed to umpire. Permission has been obtained from the league authorities, and it is expected that because of the unusual feature the biggest crowd of the season will attend the game. Saturday is made an off day by the baseball evangelist.

Miss Mary Ellen Malone is confined to her home in West Fourth street with a severe case of the mumps.

Mrs. Bettie Burns of West Second street has returned to her home in this city after spending several months with relatives in Cincinnati, Ohio.
